That may fall from the skies a-bove, A kiss won't mean "Good-bye," But "Hel-lo" to

love; WHEN THE LIGHTS GO ON A-GAIN All O-ver The World

And the ships will sail a-gain All o-ver the world Then we'll have

time for things like wed-ding rings, And "Free" hearts will sing, WHEN THE LIGHTS GO ON A-GAIN

The THREE SUNS whose DAWN OF NEW RHYTHM has caught on throughout the entire country is comprised of AL and MORTY NEVINS, brothers, born in Washington, D. C. and their cousin ARTIE DUNN, born in Boston, Mass.

Collectively the boys play twelve instruments but are only using, guitar, accordian and organ because this combination of instruments is the only one of its kind in the country. ARTIE sings all the torch ballads. They decided upon their career at a family gathering where the three of them entertained.

Their first job three and a half years ago at a hotel in Philadelphia proved so successful that they continued playing hotels and are currently appearing at the Piccadilly Hotel, New York City, where they can be heard on the National Broadcasting Company's coast to coast network six times weekly, Monday through Saturday. In their second year at the Piccadilly, the boys are scheduled to stay on indefinitely. They also record for Decca Records and their transcriptions are played throughout the country.

Look for them in pictures, shortly.
